Attention: Prospective Bidders

Subject: Request for Proposal (RFP) Addendum No. 5 to JPL RFP No. BAK-2624-935432

This addendum is provided to all proposers for clarification of the subject RFP.

- 1) The due date for Volume III, Past Performance is **April 9th, 2017 at 3 PM Pacific Standard Time**. The cover letter erroneously lists the due date as April 7th, 2017 at 3 PM PST.
- 2) Four hours are allotted for the Oral Proposal Presentations (OPP). Paragraph one of section 4.2.2, Oral Proposal Presentation, of RFP BAK-2624-935432 is revised to read the following:

Part I of your proposal shall be presented orally and shall be based on the previously submitted slides, which are to be shown in concert with the OPP. The time allotted for the OPP is ~~two (2) hours~~ **four (4) hours**. You may organize your presentation and allocate your time in any manner you see fit; keeping in mind, however, the relative weight of each evaluation criterion, specified in Part I of the RFP, and your ability to cover the material submitted.

- 3) Question: Is there a title requirement for the Volume III submission?

Answer: Please refer to attachment A-14 for the requirements of the Volume III submission.

The Volume I and II due dates are not changed by this addendum.

As required by the RFP's General Instructions, indicate receipt of this and any other addendums relative to the subject RFP. Attachment A-4 must be submitted to JPL with your proposal.
